BUSINESS ARISING FROM PREVIOUS MEETING

Facebook Page :

- Was brought to a GM. Thank you to Lee-Ann who created the page.
- The page has been active since August 26.
- Lee-Ann Wallis and Annemarie Bond are the administrators.
- It seems to have been well received with 66 page likes and a lot of traffic with people reached. All comments posted have been positive. All comments are monitored by Annemarie and Lee-Ann.
- The page is advertised weekly in the newsletter and on any documents sent out by the P&F.

Excursion Bag:

- Thank you to Kellie who found several quotes and designs as discussed at the last GM.
- Design – thicker straps, navy, white logo screen print, agreed upon and was hurried along due to the Kinder orientation this week.
- Helen has all the details and this will be added to the Uniform shop list.
- Suggestion of one per family so each child has one on an excursion.
- Sample shown by Eva at the meeting

Future Representative Shirts design

- As per the discussion at the last GM, Annemarie obtained the final quote and design from Sinalli Sport with the idea that parents could purchase their own rep shirt. These shirts are without strip numbers therefore can not be used for all representative sports and minimum order numbers also apply.
- This has been passed on to Eva and Helen to determine the feasibility of making this available.

PRESIDENT'S REPORT

Grandparents' Morning Tea

- Huge success although inclement weather.
- ENORMOUS thank you to Kellie Owen for her hard work and organisation.
- Over 50 bakers which was wonderful.
- In future, P&F will need to consider purchasing food in addition to bakers due to increased numbers next year.
- We will also need to boost our catering supplies. We will need to purchase another 2 x 20L urns in addition to the 2 already available for use. P&F are currently looking at costs and size options.
- Jo Gladwell suggested a powerless which works a large thermos. Jo will provide further details.
- We will need to re-consider the setup of tea/coffee as grandparents struggled with the stairs and holding their cup.

Fathers' Day Stall

- ENORMOUS thank you to Kelly Cleary and Rebecca Galea for their organisation and hard work before and then on the day. Thank you also to all of the wonderful parent helpers come/ sales assistants on the day. It was a wonderful opportunity for the children to purchase a gift for their fathers.

- The day worked really well. Purchase estimate was very accurate, there is only one small box left over.

Fathers' Day Breakfast

- There was a wonderful turn out. A very positive response from families.
- A special thank you to all of the parent helpers, both mums and dads, and to Mrs Hey and Mr Baker for helping with the early shift.
- Thank you to Glenda Vecchio for loaning us a bain marie for the morning. We will miss her and her generosity in the future.
- We did our best to cater for the number expected. We are grateful for the opportunity to have been able to sell the remaining fresh eggs, bacon and bread in the afternoon before and after assembly. The event cost just short of \$600 so we will need to budget adequately for this next year especially as the school gets larger.

Bingo Night – BLINGO BINGO

- This night was held Friday Oct 16. It was wonderful to see people get into the spirit of the event and wear their BLING!
- It really was a fun night. Photos were plastered on Facebook with comments received from those who attended and even from someone well out of area who had heard about our wonderful night! Good news travels!
A special thank you to all of the parents and P&F members who spent countless hours planning and making decorations, cleaning the hall both before and after then event.
- A special thank you to Jim Newell, grandfather to the Gladwell children who donated his time and equipment to run the night
- Another special thank you to Matthew Bond for being the MC on the night ensuring the night ran smoothly.
- Money raised on the night was due to the outstanding support of prizes from businesses in our community. We were inundated with prizes right up until the actual day of the event.

GENERAL BUSINESS

Proposed donation / fundraising ideas for 2016

- A shade cloth for playground, potential to be installed early next year.
- Shade shelters for playground. Timber and aluminium designs discussed and pictures shown.
- Annemarie Bond obtained quotes for the aluminium / colourbond design from SCULLY

OUTDOOR DESIGNS and DRAFFIN STREET FURNITURE as a guide for fundraising. Each shelter would average around \$5000 including installation. Those present agreed it would be a good idea and something to fund raise for. This could be considered in the second half of 2016 once the building is complete.

- A suggestion was made that money could be donated to help with the purchase of technology /iPads or learning resources. Eva said that the school is very well resourced and this has been covered in the school budget. Preference from Eva is to focus on the outdoor areas of the school.

Fundraising Ideas for 2016

- Trivia night
- High Tea / Night market
- Shopping tour
- The Good Guys School Donation Program (starts January, Alison Streater finding out details)
