BUSINESS ARISING FROM THE PREVIOUS MEETING

Winter Jacket - Melissa Buda

- Melissa brought a sample of the winter vest to the meeting from OZ FASHIONS Granville.
- Pricing would be \$50 and would include embroidery. It was agreed that as this would be an item worn over the uniform, that the school logo should definitely be embroidered onto the vest.
- Everyone agreed it would look very smart with the winter uniform and should be added to uniform list.
- Eva La Rocca will follow up with the uniform to discuss the order process, minimum orders, timeframe etc.

OUR YEAR IN REVIEW

Annemarie recapped the exciting 12 months just past.

The term began with...

- Walkathon – The main fundraising event last year and raised over \$21 000. It was such an enjoyable experience both in the making and on the day and it really was a memorable for everyone involved.
- Playground Equipment – The parish and school paid half each. The P&F made a donation toward the school's portion.
- Representative Shirts – Donated new set of Sports Representative Shirts both with and without strip numbers.
- Catered for and socialised at many morning teas. These included;
 - Athletics Carnival Morning Tea
 - Grandparents Morning Tea
 - 2 x Kinder orientation morning teas
 - Tea and Tissues for Kinder
 - Mother's Day Morning tea

*** Expenses for most of the morning teas were minimal due to the overwhelming generosity of talented bakers. Baking or contributing a sweet treat is an easy way to contribute especially if parents are unable to attend. Annemarie asked that if anyone was interested in baking for any future events to let a team member know.

- OLA Fiesta 2015– In August, the P&F ran the Lucky dip stall and school parent helpers worked at the barbeque.
- Facebook Page- The launch of the P&F page in August. The page currently has 106 likes. Annemarie asked those present to please LIKE and share.
- Father's Day Stall and Breakfast: September 2015
- Masters BBQ – Sunday Oct 2015: A great opportunity to talk to people in our local community about our great school. \$558
- Second Hand Uniform Shop has been opened twice as stocks have accumulated: A lot of sorting, culling, washing, ironing and labelling has gone into each of these days. We are lucky to have this opportunity to a buy a second or spare uniform and it has also raised approximately \$2580.
- Social BLINGO Bingo Night – October 2015. This was an enjoyable social night and raised approximately \$1979.60 from the raffle where we were fortunate enough to have all the prizes have donated.
- Christmas : Santa and treat/gift
- Weekly Special Treats with over 50 volunteers on each roster. The effort that goes into the organisation of the roster, the follow up with helpers each week and the organisation of the treats is all worth it to see the excitement on the children's faces as they approach the table to buy their treat on a Friday afternoon. The children really do enjoy it. Since May 2015, we have made \$2570.
- Supply refreshments for volunteers at the Swimming Carnival
- School Disco –decorate and supply drinks and glow sticks
- Shade sail donation
- Donation of \$1000 towards 'Boot Camp Breakfast'
- Donation of \$5000 towards school maintenance.
- The recent Mother's Day stall we sold about 690 gifts and made approx. \$2235 profit
- The OLA Fiesta is now approaching.

In the past 12 months we have raised **\$32 158.45** and have donated **\$21 200** with money still coming and going which will be clarified further in the treasurer's report.

Annemarie thanked everyone who has contributed to the financial success and most importantly to the continued building of OLA community spirit over the last 12 months.

Every event has been a team and community effort and could not have been done without the work of so many who have given up their time so generously.

Annemarie thanked her family for their patience, support and help. She added that they too have enjoyed the family involvement and hopes that she has set a good example for them about working in a team, finding ways to help others and being an active part of the community.

A thank you extended in particular to the wonderful P&F team who have worked tirelessly behind the scenes and continue to do so with our enormous commitment to the fiesta. The team juggles

work, children, commitments and being a part of the P&F and each of these ladies have given of their time so selflessly!

The outgoing Executive Committee:

Kellie Owen Vice President
Lee-Ann Wallis Secretary
Rebecca Galea Treasurer

The General Committee

Jo Gladwell
Kelly Cleary
Nicole Brown

Kellie Papandrea – Now moved on
Alison Streater
Ela Hudson

These ladies are there at the beginning when we are all still bleary eyed and until the end mopping the floors and packing away furniture when it is all over. They are an amazing group of women and should be so proud of what they have achieved!

Annemarie thanked the Parish Office staff especially Fr Warren. Father Warren has been extremely supportive and encouraging. He is very excited by the work the P&F are doing on behalf of the school community. We are so lucky to have him here as our pastoral leader.

Annemarie also gave a special thank you to Eva, Cathy and the school staff. It has been a busy 12 months with a lot of "TRIAL AND ERROR"! She thanked them for their support and guidance and especially patience. OLA is fortunate to have them both.

PRINCIPAL'S REPORT

- Kinder information night was well attended. Next year we have 50 siblings as well as 50 new enrolments.
- Sibling interviews are in the final stages. Once these have been completed interviews for new enrolments will begin.
- Major refurbishments will be made in the Kindergarten area and Office / admin block over the July school holidays.
- New building works coming on well and tracking to schedule
- Enrichment programmes have been launched in the school – lead my Mrs Schroder. These include:
 - Interschool debating
 - Tournament of the minds
 - Maths Olympiad
- We also some students in 5/6 working Woolworths IT graduates – working on lego robotics projects
- Shed for Boys Shed still yet to be constructed – likely to approach the shed company and pay for the construction.
