PRESIDENT'S REPORT

- Athletics Carnival – P&F involvement
 - Annemarie thanked all of the parent helpers who baked items for the cake stall and those who helped out on the day.
 - Light refreshments were provided to the teachers and helpers. There was also a coffee van that came on the day.
 - It was discussed whether the P&F would organise a cake stall for future athletics carnivals. It was suggested that the parent helpers could be utilised better by helping out with the carnival on the day. Eva suggested and it was agreed to, that this could be discussed again closer to the time of the next carnival. No final decision was made.
- Storage for the P&F
 - Lack of storage is an issue for the P&F. Currently there are items stored at Fr Warren's shed and at the P&F members' homes. Any spare space that could be utilised at the school for some items would be very beneficial. Eva suggested that this matter could be looked at again once the school buildings are completed.
- Grandparent's Day Morning Tea
 - There was a wonderful turn out! It was a beautiful set up and a lovely morning tea. Annemarie received many complements on the day on behalf of everyone involved from both parents and grandparents. Many grandparents had travelled afar to be there on the day.
 - Very positive feedback was received on the coordination of tea and coffee and the waiting time and have this had improved from last year. The feedback and kind words are very much appreciated and are a credit to all involved. It is an enormous event - many people put in a lot of hard work.
 - Annemarie thanked the parent community who supplied morning tea. There was a wonderful range of food and an appropriate amount. A special thank you to Natalie who organised the beautiful flowers.
 - Annemarie thanked the Catering team and everyone who helped on the day. So many mums helped to set up, serve and most importantly pack up.

- Nicole Brown provided a report of behalf of the events committee. The day was a great success and she thanked everyone for their support. Having a lot of urns definitely helped things to move quickly and efficiently. There is a definite need to purchase more urns as many of them urns used were loaned. It was recommended that next year as well as the 2 tea and coffee stations, 2 milk and sugar stations per tea / coffee station should also be set up.

- Fiesta 'Bring in Day'

- Thank you to the families who supported this. Some grades were quite generous in their donation. These donations will all be used at or towards items for the fiesta.

- Fiesta update:

- BARGAIN BUYERS Shopping Trip:
 - Melissa and Annemarie attended the organisers shopping day in early July. From this event they have planned the stores will be visited and lunch options. Stores visited were selected with the intention they would be beneficial come Christmas shopping time. Stores include; Christmas World toys and giftware. Tickets will be \$55 and no profit will be made on these as this price is simply the ticket and the cost of a 2-course pub lunch. A percentage of the sales profit made on the day is donated to back to the OLA P&F. This shopping trip is open to parents, friends, staff and parishioners. The trip has been booked for Sunday 6th November 2016.
- Second Hand Uniform report

- There have not been a lot of donations recently so there is not a lot of stock. Change of season should see donations increase. A drive for donations to be included in the newsletter.

PRINCIPAL'S REPORT

- Eva thanked all those involved in Grandparents day. It was a great success and was enjoyed by many grandparents and their grandchildren. Lots of wonderful comments were received.
- School building is still tracking on time and they are hopeful of occupancy by the end of November.
- These school holidays some major works will be conducted in the current year 2 space, this is likely to be occupied by year 1 next year. The current kinder classroom space is likely to be the future library.
- The existing year 1 buildings will also have refurbishments, although this may not be a permanent building so balancing how much money is spent is important.
- Student toilets will undergo some revamping over the school holidays – this will include freshening up and replacing fittings.
- A mural competition will be run across the school. Students will be invited to design a mural – one for the boy's toilets and one for the girl's toilets (year 1 buildings). An artist will paint the winning entry over the term 3 holidays. Information about the competition will go out in the newsletter.
- Kindergarten enrolments for 2017 are very strong, currently sitting at around 86.
- Kinder orientations to take place in the last week of October and first week in November. Morning tea to be arranged for the 2nd orientation.
- Risk assessments have all been completed for the Fiesta.
- Artwork for the OLA Art Hall will all be up by the end of this week. All artwork is A4 in size.

Money raised by the Fiesta

- The P&F are hoping to raise a lot of funds from the upcoming Fiesta. Some ideas on what the school would like the money to be donated towards were discussed. Eva suggested some shaded picnic table type seating for the playground. Costs vary depending on the structure type from \$2400 up to \$3800. Eva provided some brochures of the different types. Once final amounts raised are known this can be discussed further.
