Week 5 Term 4

7<sup>th</sup> November, 2014

## NEWSLETTER

Dear Parents,

*"I have fought the good fight, I have finished the race, I have kept the faith." 2 Timothy 4:7*

Earlier this week, our country celebrated one of its great traditions, the Melbourne Cup. This is an event highly regarded in the sport of horse racing, bringing together people from across the world. The culture of competition, in particular racing, is a very old one. In fact, there are numerous references to it in the Bible.

*"However, I consider my life worth nothing to me; my only aim is to finish the race and complete the task the Lord Jesus has given me- the task of testifying to the good news of God's grace." Acts 20:24*

Through Baptism, this race is our race. Jesus came on earth to bring the promise of salvation to all people. He showed his disciples the way to bring about God's Kingdom, a world of justice and love. At His ascension, Jesus 'passed the baton' to His disciples to go forth and spread the word. The 'race' has continued for over 2000 years and, today, we hold the baton. Our responsibility is to 'run our race' the best we can with the aim to bring about God's Kingdom on earth, a reign of justice and love.

*'Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize.' 1 Corinthians 9:24*

The difference in our race is that there can be many winners; each of us has the potential of receiving the prize - eternal life in Heaven.

*The Runner's Prayer*

*O Lord, may I never just look as if I'm in the race—the race You have set before me.*

*Instead, let me be running with all my heart.*

*And may I never allow myself to be detoured by the difficulties of life.*

*And may I say at the end, "I have fought a good fight. I have finished the race. I have kept the faith."*

**Farewell Bishop Anthony.**

Over the past few weeks there have been numerous events to formally farewell our own, Bishop Anthony Fisher. During his time as pastor of Parramatta Diocese, Bishop Anthony has had an astounding influence on the way 'things are done' in Parramatta. The praying of the Angelus simultaneously at noon across all diocesan school is a small but mighty powerful initiative – demonstrating our devotion to our blessed Mother and display of conviction of our faith as Catholics. Bishop Anthony has been a great advocate for the development of faith in our youth, actively involved in World Youth Day (2013 and 2011) where the crowds were so impressed with his preaching, they were calling for 'Bish Fish for Pope!'. Maybe one day we can say that the Pope was 'our' Bishop, if that's God's will. Personally I have been very privileged to have had him as pilgrim leader as we spent 18 days following in the footsteps of St Paul. (In Pamukkale, Turkey, I even shared a tank where fish nibbled at our feet. Luckily for him that photo was lost when my phone was stolen ☺)

Meanwhile, we wish Bishop Anthony all the very best in his new role as Archbishop of Sydney Diocese.

*There will be a stop work meeting **Monday 10 November 2014 for 1 hour** from 8.30am to 9.30am at the school. The action involves members of the Independent Education Union (IEU) to discuss concerns regarding the proposed new Enterprise Agreement. We do not expect any interruption to school attendance and supervision will be provided.*

## Gospel Reflection

### The Feast of the Dedication of the Lateran Basilica

A reading from the holy Gospel according to John 2:13-22

*Just before the Jewish Passover Jesus went up to Jerusalem, and in the Temple he found people selling cattle and sheep and pigeons, and the money changers sitting at their counters there. Making a whip out of some cord, he drove them all out of the Temple, cattle and sheep as well, scattered the money changers' coins, knocked their tables over and said to the pigeon-sellers,*

*'Take all this out of here and stop turning my Father's house into a market'. Then his disciples remembered the words of scripture: Zeal for your house will devour me. The Jews intervened and said, 'What sign can you show us to justify what you have done?' Jesus answered, 'Destroy this sanctuary, and in three days I will raise it up'. The Jews replied, 'It has taken forty-six years to build this sanctuary: are you going to raise it up in three days?' But he was speaking of the sanctuary that was his body, and when Jesus rose from the dead, his disciples remembered that he had said this, and they believed the scripture and the words he had said.*

---

As they often do in John, the Jews misunderstand Jesus' words. This gives John the chance to explicitly state his point. Although this is the beginning of his ministry, Jesus is already speaking of his coming death and Resurrection. John intentionally integrates a post-Resurrection perspective into the Gospel narrative. The statement that concludes this passage uses the fact of the Resurrection to prove the point of Jesus' words. Believers need to remember the words and actions of Jesus and claim them as affirmations of the truths of their faith.

#### **This weekend with your family...**

Families take pride in their homes and strive to keep them neat and clean inside and out. Talk as a family about the various chores that each family member has that contributes to the upkeep of the home. When we celebrate the dedication of this great church, we are reminded of our own parish church where we gather to celebrate and, even more so, of our domestic church, our home, where we encounter God every day. Very soon we will be celebrating the Dedication of Our Lady of the Angels Church in Rouse Hill. This will be a very exciting time for all members of our community.

Have a vibrant weekend!

Mr Andrew Baker ☺

## All Souls Day!

### Feast Day: November 2nd

This feast day is one of the most loving celebrations in the Church's liturgy. It is the day that we especially remember all those who have passed from this life into the next.

Today we stop to remember all who have died especially our relatives and friends.

We pray for those who taught us good things and made sacrifices for us.

We pray for those who prayed for us while they were on this earth.

We pray for the most forgotten souls.

We pray for those who had great responsibilities while they were on earth.

We think of those holy souls in purgatory and we realize that they are saved. Now they wait, being purified, until the moment when they can be with God, face to face.

We can offer the sacrifice of the Mass and pray for these suffering souls in purgatory to hasten their journey to God.

Eternal rest, grant unto them, O Lord, and let perpetual light shine upon them. May they rest in peace. Amen

## From the Catholic Education Diocese of Parramatta.

### Changes to Catholic Education Diocese of Parramatta Enrolment Policy

In September 2014, a new enrolment policy and procedures were approved for use by Catholic systemic schools in the Diocese of Parramatta.

#### What has changed?

Under the previous enrolment policy, Catholic families were asked to enrol their child/ren in their local parish or 'feeder' school. Recognising the changing nature of work and family life, the new policy allows Catholic families greater choice, by removing the concept of 'feeder' parishes and schools.

Catholic families may now apply for enrolment in a Catholic school anywhere in the Diocese.

Where places are limited, priority will be given in order to:

- Catholic children who live in the local parish
- Catholic children from other parishes
- Children of families who actively participate in the life of the school and local parish community (e.g. siblings)
- Orthodox children
- Children from other Christian faiths
- Children of non-Christian faiths

#### Frequently Asked Questions:

**1. Who makes decisions regarding enrolment of students?**

The principal of each school has the delegated authority to accept enrolments. The Principal must consult with the Parish Priest and Catholic Education's Director of System Performance to ensure the enrolment policy and procedures are given effect.

**2. How is enrolment determined?**

The principal determines if the student meets regular enrolment criteria by:

- a. conducting enrolment interviews as necessary in consultation with the parish priest
- b. reviewing all enrolment applications using the CEDP enrolment process

**3. Will siblings of children already enrolled have preference?**

Siblings of children already enrolled in the school are considered by the same criteria above. However, within each of these categories, a sibling of a child already enrolled will have preference over an applicant who does not have a sibling enrolled in the school.

**4. Is enrolment guaranteed for existing primary students?**

A child who has completed primary education in a Catholic Diocesan primary school will *usually* be offered continuity of enrolment in a Catholic Diocesan secondary school. If no places exist at the school of choice, contact Catholic Education's Director of System Performance to assist the family to enrol in another Catholic secondary school in the Diocese.

The policy and procedures are available via [www.parra.catholic.edu.au](http://www.parra.catholic.edu.au) - go to 'About Us' menu and click 'Policy Central'.
