# Parents Tips On Helping Children With Numeracy

Before children start school, they often talk about maths with curiosity and wonder. They get excited by patterns in nature. They would rearrange a set of toys and found, with delight, that they had the same number? It is important that we all encourage children to continue to be excited to learn about mathematics.

Here are some steps to take....

- Encourage children to play maths puzzles and games anything with a dice will help kids enjoy maths and develop a number sense which is critically important.
- Always be encouraging and find logic in their thinking, even if they are wrong. For
  example, if a child multiplies 3 x 4 and gets 7, we could say "Oh I see what you are
  thinking, you are using what you know about addition to add 3 and 4, when we
  multiply we have 3 groups of 4."
- Never associate maths with speed. We know that forcing children to work quickly on maths is the best way to start maths anxiety.
- NEVER share with the children the idea that you bad at maths at school or you dislike
  it. This gives the child an excuse leading them to think that maths is hard and
  unachievable.

Perhaps most important of all – encourage a "growth mindset". Let students know that they have unlimited maths potential and that being good at maths is all about working hard. When children have a growth mindset, they do well with challenges and do better in school overall. When children approach a task with a "fixed mindset" and they encounter difficult work, they often conclude that they are not "a maths person".

# Our Lord Jesus Christ, King of the Universe Gospel Reflection (Jn 18:33-37)

A reading from the holy Gospel according to John *You say that I am a king.* 

'Are you the king of the Jews?' Pilate asked. Jesus replied, 'Do you ask this of your own accord, or have others spoken to you about me?' Pilate answered, 'Am I a Jew? It is your own people and the chief priests who have handed you over to me: what have you done?' Jesus replied, 'Mine is not a kingdom of this world; if my kingdom were of this world, my men would have fought to prevent my being surrendered to the Jews. But my kingdom is not of this kind.' 'So you are a king then?' said Pilate. 'It is you who say it' answered Jesus. 'Yes, I am a king. I was born for this, I came into the world for this: to bear witness to the truth; and all who are on the side of truth listen to my voice.'

#### Gospel Reflection

Jesus tells his closest friends that he is the Messiah, the One chosen to come and lead Israel into a new way of life. Only, their idea of a messiah king is different. They are waiting for a Jewish political leader who will take over the nation and destroy their enemies, then persecute them the way the Jews have been persecuted by the political powers of their time. The ways of Jesus are different. He is a 'king' of nonviolence, forgiveness, unconditional love and service.

How would this difference in the expectations of a messiah king affect the perceptions of Jesus' followers? How might it lead to them doubting that he is truly the Messiah?

How might it explain their cowardice at the time of Jesus' arrest and trial?

The Lord's Prayer we pray at Mass every Sunday includes this line: 'Thy kingdom come, thy will be done, on earth as it is in heaven'.

What does it mean for the Kingdom to come to earth, the same way it exists in heaven? What would that look like?

What would the world be like if everyone on earth did the will of God?

What part do you play in bringing to this world the Kingdom Jesus has in mind? Are you playing your part? If so, how? If not, why not?

It takes courage to play your part. When have you done something courageous for the Kingdom of Jesus? What happened? When have you had the chance, but not the courage you needed? What happened?

#### WHAT IS HAPPENING IN SOCIAL JUSTICE/OUTREACH PROGRAM @ OLA

#### THANK YOU!!!!

**Dignity -** 'the state or quality of being worthy of honour or respect'.

Thank you to the OLA community who generously donated to our 'Dignity pack' appeal. We were overwhelmed with the generosity of our community. Not only did we receive donations, but many families donated a dignity pack, adding special notes for the receiver to find. Thank you also to the P&F who sourced a lot of products and donated items. When thinking about what we received, it is hard to think you would ever need any of these things, but for many their homes become unsafe and they leave with only their clothes on their back. It is important that the dignity of every person is treated with kindness and respect. We learn from the greatest teacher, who taught us to 'Love one another as I have loved you,' Jesus was there for everyone and has taught us how to love, be kind, compassionate and show the face of God to others, so they also know that God loves them and they are also the face of God.

This week the OLA Staff, were busy creating 'Dignity packs'. Here is what the OLA community has provided. We will start distributing these packs to a variety of charities.

## SACRAMENT OF RECONCILIATION

Over the next three weeks, many of our OLA students will receive the sacrament of Reconciliation for their first time. This is an important sacrament that can be received throughout our lives, so we can be forgiven for our sins and strengthen our relationship with God. Please keep these students in your prayers.

# **Helping Your Child with Spelling:**

Invest in a set of plastic magnetic letters that are available at many discount, toy, and variety stores. Let your child spell the word by successively placing the magnetic letters on the magnetic board. You can show them the word, then remove it. Have them name each letter as they locate it and place it on the board. This is good for developing the correct order for letters within the words.

# **IMPORTANT INFORMATION**

# **Afternoon Pick Up**

As you know the afternoon drive through/pick up between 3.00 and 3.40pm is very congested. The school has procedures in place which aim to reduce the congestion however parents often vent their frustrations about other parents not following the school pick up arrangements.

Please adhere to the following pick up arrangements:

- The entrance to the driveway should not be blocked. We have had complaints that cars are waiting at the entrance to the driveway or entering the driveway and waiting until 3.10pm when they can then pick up children from Years 1-6. This then creates a queue along Wellgate Avenue because the Kindergarten parents can't get in.
- If your child is in Year 1-6 or an older sibling of a kindergarten student, unless you are parking your car and picking up your child please do not enter the carpark and join the queue.
  - If your OLDEST child is in KINDERGARTEN, your pickup time is 3PM.
  - NO OTHER PARENTS SHOULD BE ARRIVING BEFORE 3.10pm.
  - If your **oldest** child is in Year 1 or Year 2, please pick up from 3.10pm
  - If your **oldest** child is in Year 3 or Year 4, please pick up from 3.20pm
  - If your **oldest** child in in Year 5 or Year 6, please pick up from 3.30pm.
  - All younger siblings will wait with the oldest sibling, under teacher supervision

These requests are in the interest of all students' safety and smooth running of the school. Thank you for your cooperation.

# **2019 Students**

If your child/ren are not returning to OLA in 2019, can you please complete the attached Withdrawal of Notice Form as soon as possible (both parents need to sign the form). We have quite a few new students commencing in 2019 and this will help us with the classes for next year.

Please note that if you child attends even one day of school next year and then you withdraw them, you will be charged the 10-week notice fee.

Thank you for assisting us.
