Dear Parents,

The Premier's Reading Challenge is a State Government initiative that encourages children to read a variety of good quality literature over a sustained period of time. The Challenge runs from 5<sup>th</sup> March until 31<sup>st</sup> August 2018. Participation in the Challenge is optional.

Students must complete a set amount of reading to meet the Challenge, see table below:

<b>Challenge Level</b>	<b>Number of books needed to complete the Challenge</b>	<b>Minimum number of PRC books for your Challenge</b>	<b>Maximum number of personal choice books</b>	<b>PRC booklist selection</b>
K-2	30	25	5	K-2, 3-4, 5-6, 7-9
3-4	20	15	5	3-4, 5-6, 7-9
5-6	20	15	5	5-6, 7-9

Independent K-2 readers may attempt the 3-4 Challenge.

To experience a book, a child can listen to the book, participate in a shared reading of the book or read part or all of the book independently. Our school library has some of the books on the PRC lists and many of these are labelled with a special sticker. The local library also has many of the books on the list.

All Student Reading Records are submitted online by parents. Student Reading Records can be entered online once you have your individual login and password, which will be issued by the school upon return of the attached form. The login and password remain the same for each student from year to year.

It is a condition of entry that all students entering and successfully completing the Premier's Reading Challenge will receive an official PRC certificate and their names will appear on the PRC Honour Roll. To successfully complete the Challenge, the student must have an online reading record entered and validated by 31<sup>st</sup> August, 2018.

Students will need to supply information on whether they have completed the Challenge before and if it was at a different school. This information must be entered on the online Student Reading Records.

Students who complete the Challenge for four years in a row will receive a gold certificate.
