Week 6 Term 1

3rd March, 2017

*"There where you are, God is".*  
St Mary of the Cross MacKillop

**Dear Parents,**

On Wednesday, the community gathered to celebrate the Eucharist for Ash Wednesday which marks the beginning of Lent, a time of preparation for Easter, the most important event in the Liturgical calendar.

The students received the ashes on their forehead to the words, '*Repent and believe in the Gospel*'. This is a sign of our commitment during Lent to renew ourselves in some way – primarily through **prayer**, **abstinence** and doing **good works**. It is a time to question how well do we act as ambassadors for Christ? What do others see in the way we act towards each other that says to them, 'This is what it means to be a member of the Catholic Church'. Lent is an opportunity to 'fine tune' that message and make sure that it is a good and loving message to others.

### **The Proposed Stage 4 School.**

In September of 2008, I had the great privilege of being appointed founding principal of the 'the proposed new school, Our Lady of the Angels Primary, serving the parish of Rouse Hill'. The local area was starting to grow rapidly and the provision of a Catholic education for the children of families moving into the area was becoming strained.

Many parents who applied to enrol their child into existing schools this side of Windsor Road were being turned away. As per the enrolment policy, siblings took first priority followed by Catholic families who lived and worshipped in the respective parish. Of those who found themselves with no place for their child, 19 took the great leap of faith and enrolled their children into this proposed new school. As there were no school buildings, throughout 2009, Our Lady of the Rosary at Kellyville generously hosted these nineteen 'Angels kids' on their grounds, as well as the first teacher, Mrs Byrne and the newly appointed principal. Except for one, these kinder students were the eldest child and their parents had no experience of 'big school'. Over the past eight years, I have commended these parents for their courage and faith. They were the pioneers who led the way to where the school is today, which on Tuesday, was described by an executive from CEDP as 'the most impressive school in the diocese'.

The plan to commence Stage 4 (Years 7 and 8) of the 'proposed new school' on this site (2018 and 2019 only) is only a very recent CEDP decision. However, I welcome the opportunity to repay, and pay forward, the accommodation and hospitality shown to us in 2009 by OLOR.

I appreciate that amongst the community, there have been a range of different responses to this news. Please be assured that CEDP, and I, are listening to the concerns that have been raised so far. Hopefully, as more information about what is planned is revealed, those concerns will be addressed. If for a moment I envisaged this as being detrimental to our community, I would have not been so receptive. Many of the concerns, such as extra traffic, shared playground and resources, can be addressed logistically.

CEDP is currently creating a webpage that will be accessible from both the OLA homepage and the CEDP homepage ([www.parra.catholic.edu.au](http://www.parra.catholic.edu.au)). This should be up early next week. It will contain more information, including a 'Frequently Asked Questions' sheet as well as an enrolment expression of interest form.

At the heart of the decision to build a new school in the area is ensuring all parents have the opportunity to provide for their children a high-quality Catholic education.

Please feel free to continue to voice any new concerns so that they can be addressed and assist CEDP with their planning to serve all.

## Sunday, 5<sup>th</sup> March 2017: First Sunday of Lent (Mt 4:1-11)

A reading from the holy Gospel according to Matthew

### ***Jesus fasted for forty days and nights.***

Jesus was led by the Spirit out into the wilderness to be tempted by the devil. He fasted for forty days and forty nights, after which he was very hungry, and the tempter came and said to him, 'If you are the Son of God, tell these stones to turn into loaves.' But he replied, 'Scripture says:

Man does not live on bread alone  
but on every word that comes from the mouth of God.'

The devil then took him to the holy city and made him stand on the parapet of the Temple. 'If you are the Son of God,' he said, 'throw yourself down; for scripture says:

He will put you in his angels' charge,  
and they will support you on their hands  
in case you hurt your foot against a stone.'

Jesus said to him, 'Scripture also says:

You must not put the Lord your God to the test.'

Next, taking him to a very high mountain, the devil showed him all the kingdoms of the world and their splendour. 'I will give you all these', he said, 'if you fall at my feet and worship me.' Then Jesus replied, 'Be off, Satan! For scripture says:

You must worship the Lord your God,  
and serve him alone.'

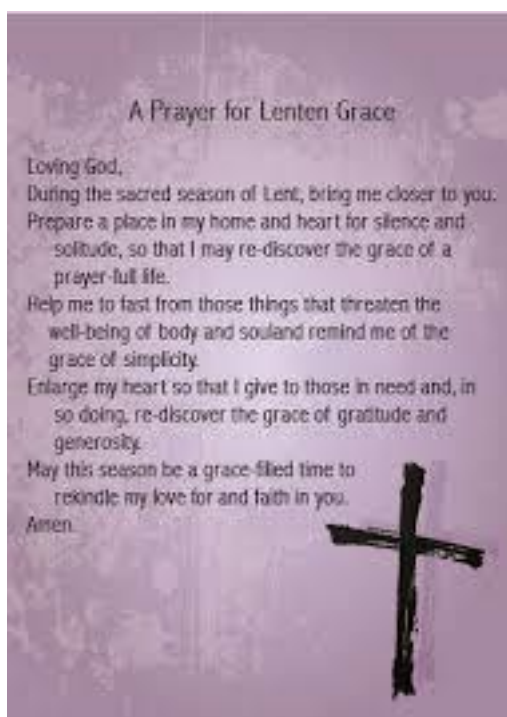

Then the devil left him, and angels appeared and looked after him.

### *Gospel Reflection*

*Lent is a season of invitation. It is an invitation to step into the desert with Jesus; to confront our own purpose and ministry and to renew our trust in God's vision for the world and for us individually. Seen in this light, Lent is so much more than fasting from meat and giving up ice cream for a few weeks. The whole idea of fasting and sacrifice is an attempt to simplify our lives. Through simplifying our life and removing some of the daily distractions, we can share in the desert experience of Jesus and then truly celebrate the hope reborn in the Easter season.*

### **Project Compassion Box**

On Ash Wednesday, every family in OLA received a Project Compassion Box. Project Compassion us one way families can make a Lenten promise and display almsgiving to give to those less fortunate than ourselves. Donations can go a long way to helping others to have the basic needs in life.

## 17<sup>th</sup> March- ST PATRICK'S DAY EVENTS.

This is the day of OLA Cross Country primarily for students in Years 3-6. It is a gold coin/**green mufti** (casual clothes with a touch of House Colour). This is run first thing on the morning and should be over by noon. The gold coin will go towards Project Compassion. The SRC will be preparing fun activities during recess times.

The school has purchased a large statue of Our Lady for the Marian Reflection Space along with some angels and cherubs. Fr Warren will bless this new statue as part of St Patrick's Day celebrations. Our existing statue of Mary will be relocated to accompany St Francis in the school gardens.

### Can you help us make some good from tragedy?

I do not think any of us were not touched by the tragic events that befell our community last December. The support our school community provided throughout that fortnight was astounding – through prayer, food drives and many other ways, small and big.

God gives us the capacity to make good out of such tragedy. In this case, it is the fundraiser to help improve the facilities for the parents of children in ICU at Westmead Hospital, to make them a bit more comfortable and less grim.

*"Fleur, Nicky and myself met with Westmead kids to see what we could do to help the hospital. Within the hospital is a parents' hostel where parents can stay whilst their child is in intensive care. The hostel has 29 small motel-like rooms. It was in one of these rooms that Fleur spent her nights trying to rest to gather strength to face the next day.*

*These rooms have been there for 21 years and are in desperate need of a facelift. The air conditioners leak onto the carpet making the carpet rot, the walls need to be freshened up, bathrooms need replacing.*

*So there is lots of work and expense needed to make this happen.*

*Please keep sharing this page, please keep donating if you can and if you have any contacts that maybe can supply something that is needed at minimal cost or even better free please contact me.*

*The hospital is happy for us to make this happen and will guide in making sure it is done correctly and to standard.*

*The hospital have said its always on the to do list but never gets done as medical equipment is more important and it is, but if we can join together and make this place where parents of critically ill children go to rest a little bit more liveable that's a good thing." <https://www.gofundme.com/2hachrwv>*

Our community is committed to supporting this fundraiser which is sitting at \$35 000 with a target of \$50 000. As part of this drive, we are holding a sausage sizzle fundraiser on **Friday, March 17th, 2017**, for this purpose.

This will be \$5 for a sausage on a roll (Y 4-6)/ slice of bread (K-Y3) + Popper drink.\*

The 50c treats will also be available 2<sup>nd</sup> break as usual and I thank the P&F for their donation of that day's proceeds towards this cause. **Any extra donations are very welcome.**

Further information about ways to order or help on the day will be communicated over the next week. As usual, parent helpers would be appreciated.

\*As this day is a solemnity, eating meat on this Friday in Lent is allowed.

### **MORE INFORMATION ABOUT THIS DAY WILL BE PROVIDED NEXT WEEK.**

#### **Parent Liaison Person**

THANK YOU to those who have volunteered for this role. We are very grateful. Next week we have three new students joining our school. This is a family new to the area and feels very 'alone'. The idea of the PLP is to reach out to such families in welcoming. This could be something like buying a box of chocolate (school pays) and writing a little welcome note with your contact details that can be passed onto them. Unfortunately, two of the three classes have no parent. Please consider putting your name down. 😊

## Helping Your Child With Mental calculations

As mentioned in last week's newsletter, the numeracy focus for our school in 2017 is around developing multiplicative strategies and reasoning skills. An integral part of this involves students being able to do mental calculations without the need to constantly use pen and paper and written algorithms to solve calculations. When you think about it, most calculations that we carry out each day are done in our head. When we play card games or board games or watch sport on tv, we rely on carrying out lots of mental calculations.

Traveling, sharing a bill, shopping, catching a bus or train, preparing a meal or even driving long distances all require different types of mental calculations. The methods that we use when we work things out in our heads are often not the same methods that we use when we write down a sum.

We should always be asking children to predict, calculate and justify their answers before we offer them a pen and paper to do written algorithms, particularly when the calculation is within their mental capabilities. There has been much research to suggest that an over dependence on writing the written algorithm stifles the ability to solve calculations mentally.

For example: To find the answer to  $25 + 89$ , children could:

- Make the 89 up to 90, then add ten and then 14.
- Add 20 and 80 to make 100, then add 9 and 5, then add 100 and 14
- Add 10 twice to 89 and then add 5 more.

Neither method is more or less correct than the other. They are just different ways of solving the same problem.

### What can you do at home?

- Ask your child how he or she mentally worked out the answer to a question.
- Ask how much change is required when paying a bill.
- How much money each week would need to be saved to buy an item?
- Encourage your child to estimate the cost of two items when shopping.

Encouraging children to develop confidence to 'use their brain' to solve calculations will go along way to develop mental strategies as they progress through school.

God Bless  
Mr Cauchi

## Literacy News

### Helping Your Child with Spelling:

Children can find writing a real challenge. They need encouragement, support and praise for their efforts. You can best support your child by:

- encouraging them to write on every possible occasion, praising their efforts and, importantly, letting them see you writing whenever possible;
- playing word games with them, for example, I spy, Scrabble, Boggle and Find the Word puzzles;
- pointing to interesting or new words as you read to your child (without interrupting the flow of the story);
- composing emails together.

## Diocesan Swimming Carnival

On Friday 24<sup>th</sup> February, OLA had two students represent our school as well as the Hills Zone at the Diocesan Swimming Carnival. I was extremely proud of our school to have two swimmers compete at the Diocesan Swimming Carnival. He came 5<sup>th</sup> in Breaststroke and 6<sup>th</sup> in Butterfly. This was the first time he has competed at this level. I would like to congratulate Jesse E who swam in 6 races throughout the day.
