Week 9 Term 2

23<sup>rd</sup> June, 2017

*"There where you are, God is".*

St Mary of the Cross MacKillop

Dear Parents

Today the school community gathered for Mass to celebrate the Feast of the Sacred Heart. Whenever you have a special intention, remember to pray to the Sacred Heart – *"Sacred Heart of Jesus, I place my trust in thee"* – and things always work out for the best. It does for me. In our school, this Mass is traditionally the 'poor man's Mass' and aligns with the Vinnies Winter Appeal. I would like to commend Mrs Zivic and the Mini Vinnies Team for driving this SOCIAL JUSTICE Program and Pyjama Day. Many disadvantaged people will be much warmer this winter thanks to your generosity regarding donations of blankets and warm clothing.

**Congratulations** to the following students who are recipients of this term's Principal Award. I look forward to sharing morning tea with them next Tues day and hearing about their term and why they think they received this award. ☺

### Action Plan

Each year, schools set goals in Formation, Literacy and Numeracy. This is the basis for an Action Plan which is reviewed each term by team members from other schools. The feedback from our meeting yesterday outstandingly favourable...

- \* Students were engaged and on task across all stages. (Despite wearing pyjamas)
- \* Learning Intentions and Success Criteria were evident across stages and in all KLAs.
- \* Learning Intentions and Success Criteria were co-constructed and in child friendly language.
- \* Most students were able to articulate when talking about their learning.
- \* The students were able to answer questions in a way that gave clear directions/feedback about their learning.
- \* It was noticed about the 'prominent' position of the prayer space in some rooms.
- \* Children were confident in explaining their thinking.
- \* In some classes, children were using electronic devices effectively to support their learning.
- \* Learning spaces were 'vibrant' and rich in print.
- \* Word walls/towers were evident.

Many commented on how beautiful our learning spaces are and how lucky we are to be in such a beautiful school. We already knew that. ☺

Thank you to the whole staff for all their hard work especially to Mr Cauchi, Mrs Byrne and Mrs Hurst for their work preparing for this day.

### Upcoming Dates to Remember

**Thurs 29<sup>th</sup> June** Stage 2 Soccer Gala Day  
Last Day of Term 2

**Mon 17<sup>th</sup> July** First Day of Term 3

**Wed 19<sup>th</sup> July** Photo makeup day – for those students who missed photos last Monday

**Term 3 Calendar will be sent out next week.**

### Mid-Year Reports

Today your child has received his/her mid-year report. Please refer to the segment later in this newsletter by Mr Cauchi.

## Gospel Reflection (Mt 10:26-33) Sunday 25<sup>th</sup> June, 2017

A reading from the holy Gospel according to Matthew

***Do not fear those who can kill the body.***

Jesus instructed the Twelve as follows: 'Do not be afraid. For everything that is now covered will be uncovered, and everything now hidden will be made clear. What I say to you in the dark, tell in the daylight; what you hear in whispers, proclaim from the house-tops.

'Do not be afraid of those who kill the body but cannot kill the soul; fear him rather who can destroy both body and soul in hell. Can you not buy two sparrows for a penny? And yet not one falls to the ground without your Father knowing. Why, every hair on your head has been counted. So there is no need to be afraid; you are worth more than hundreds of sparrows.

'So if anyone declares himself for me in the presence of men, I will declare myself for him in the presence of my Father in heaven. But the one who disowns me in the presence of men, I will disown in the presence of my Father in heaven.'

### Living the Gospel

One of the messages of Jesus to his disciples and, through him, of Matthew to the original community, is to have courage and to have pride in their belief. No matter what threat or persecution they are to endure, the command is to proclaim the message of Jesus from the house-tops. They are to be proud of what they believe and be prepared to share it with others. In a world today that is not always open to the message of Jesus, we too are called to be proud of what we believe and not whisper it in the darkness.

### **First Holy Communion**

On Sunday 25<sup>th</sup> June, many students from Our Lady of the Angels will be receiving the Sacrament of First Holy Communion. May we keep them in our prayers as they receive the Body of Christ for their first time.

Congratulations to the following students; *Ava C, Isabella C, Maya C, Isobel C, Lachlan C, Janiya D, Sienna D, Mikayla E, Logan H, Sienna J, Lara K, Sahara K, Daniel K, Katia L, Dylan L, Sarah M, Eva M, Marcus M, Riharna P, Ethan P, Harriet P, Emma Q, Noah R, Ben R,*

### **Social Justice-Caring for the homeless**

*On Thursday, 22nd of June, the OLA teachers and students took part in Pyjama day, where we got to wear our pyjamas to school. To be able to wear our pyjamas, we had to either bring in a gold coin donation or warm blankets and clothes to donate to those who are less fortunate than us.*

*The reason why we take part in pyjama day each year, is so that we can remember and help those who don't have a roof over their heads. These people have to sleep outside, even in the middle of winter, without any warm clothes or ways to prevent themselves from falling ill. We also take part in it so that we can give generous donations to those who are living on the streets, we can help them to keep warm this winter!*

*Thank you to all of the families in our community who have donated to this worthy cause.*

### Helping Your Child with Spelling:

- Listening skills do help spelling. “What letter does ‘chart, end with?” What letter does ‘piano’ begin with?” Play these games just for a few moments before dinner, or after breakfast to develop your child’s ability to hear sounds in words.
- Rhyming words is another game that can build spelling skills. “Can you think of a word that rhymes with fill?” As your child says hill, Bill, till, and so on, write them down. They’ll soon notice, themselves, that they have identical endings.
- Remembering. This is a game to develop visual memory. Write one word on a piece of paper. Leave space underneath it. Tell your child to look at it as long as they want, that is, until they can remember the letters, then have them fold the paper so that they cannot see the word. They are then to try to write the word from memory. Let them check it themselves, and if they have misspelled, try again.
- Practice in spelling can come in a variety of ways. For example, you might ask them to help you make a grocery list by looking at the advertisement for a local supermarket You could check the items you want to purchase, and you could ask them to make a list to help you out.

## Debating

This week we hosted Our Lady of the Rosary, Kellyville to debate the topic “That Planes are Better than Trains”. We were the affirmative team, and had the challenging task of convincing the audience that plane travel was better than travelling by train.

As usual, the team came up with some very strong and convincing arguments about the safety concerns when it comes to trains, the cost of travelling by train compared to that of planes, and the difference in travel time between planes and trains.

While we were again convincing in our arguments, and were able to refute the other team's misleading statements, we did not win the battle this week. Congratulations to Melissa Preston, Carys Fitzgerald, Phoebe Strykowski and Sascha Strykowski for all of their hard work!

Thank you to Mrs Giglio for adjudicating, and for all of the debating team for their hard work in preparing for today.

Our debating star of the week is Phoebe Strykowski. She is an amazing third speaker who is able to sum up the team’s case convincingly each time she takes on that role. Phoebe works tirelessly on her preparation for each debate, even when she is not one of the speakers. She helps others formulate their arguments, and works on coming up with catchy team lines to convince the audience. Well done Phoebe, you have a bright future in debating and public speaking!

## Stage 3 Boys Soccer Gala Day

On Thursday, the 22nd of June, a select group of boys from Stage 3 competed in the Parramatta Soccer Gala Day, at Jamison Park, Penrith. We showed incredible skill and great sportsmanship throughout each game. The teams we faced were tough. However, tough they were both OLA teams gave it their best. Both teams managed to place 2nd in their pool. A special thank you to Mr Izzard and Mr Ewer who referred games throughout the day. It was greatly appreciated. Thank you to all the parents who came out to support us on the day.

# Mindfulness at OLA

Mindfulness has many benefits for students in the classroom. It has been proven to; calm the mind, calm the body, increase focus and attention, increase the ability to learn, develop self-awareness, lessen anxiety, help manage emotions and can be a life long coping skill.

For your information an article about the health benefits of meditation and being mindful by Dr Craig Hassed has been attached to the newsletter.

## Mid-Year Reports

At this time of the year our teachers are analysing assessment tasks, reporting student growth and progress and preparing to meet with you to discuss your child’s learning.

Throughout the year, teachers regularly meet with their teaching partners to reflect, analyse and compare each students work with the syllabus standard. This reflection phase allows teachers the opportunity to evaluate the success of teaching strategies as well as setting a clear direction for future planning for the learning of the students in their class. This phase allows for individual needs to be clearly understood and specific programs to be developed.

At Our Lady Of The Angels, we have developed high expectations for our students’ learning. When you receive your child’s report, remember to refer to the statements of achievement that describe your child’s level of success in each Key Learning Area. Also remember to pay attention to your child’s work habits. You might like to keep the following tips in mind when reading your child’s report:

Look for strengths first. Focus on the strengths and celebrate these areas. Take into account your child’s effort and attitude to learning. If the report indicates that effort needs attention, then this is something on which they need to work on. If your child is putting in the required effort, speak to your child about how pleasing this is and how it has a positive impact on their learning.

Broaden your focus to form a picture of your child’s progress as a member of a social setting. How your child gets along with his or her peers will influence their happiness and well-being.

Discuss the report with your son or daughter talking about strengths first before looking at areas that need improvement. Ask for their opinion about how they performed and discuss their concerns.

Students from Years 1 to 6 will receive a level of achievement in each Key Learning Area based on a scale described by the letters A-E. It is important to remember that the majority of students are expected to receive ‘C’ grades which indicate that they are achieving the expected outcomes.

A considerable amount of time and consideration is put into allocating the grades for each student. Grades are allocated based on a number of variables such as student work samples, assessment tasks, observations and class work.

Please keep in mind that your child’s grades may have varied from previous years, especially if they have moved into a new stage this year.

Sometimes the A-E scale is confusing for parents as it is not graded in the same way that reports were constructed when we were at school. To put the A-E reporting system into perspective, it may be helpful to look at the analogy below for driving a car.

E	D	C	B	A
A person on ‘L’ plates must always be accompanied by an experienced driver	A person on ‘P’ plates drives independently but is still learning	Full drivers licence, like most of us!	Advanced driver training with extra skills	Grand Prix Racer
