Week 5 Term 1

2<sup>nd</sup> March, 2018

*"There where you are, God is". St Mary of the Cross MacKillop*

Dear Parents,

Catholic schools have been a major component of Australian education for over 175 years. During that time they have adapted to changing circumstances and changing times. In recent decades, as both the Church and Australian society have changed, Catholic schools have continued to develop and to grow in quality and public esteem.

Catholic schools:

- contribute to the Church's mission to proclaim the Good News of Jesus Christ;
- offer the Catholic community and the people of Australia an educational foundation for life to the full, meaning the full development of the person - intellectually, spiritually, physically, morally and emotionally;
- fulfil parents' rights in a democratic, free society to choose the schooling for their children which reflects their own values, beliefs and hopes as Australians; and
- have proven over successive generations that they contribute significantly to the development of the Australian community.

Next week, from 4 - 10 March 2018, Our Lady of the Angels School will join with Catholic schools across NSW and the ACT to celebrate **Catholic Schools Week** (CSW). The theme for CSW 2018 is 'Every learner, every day: TRANSFORMING LEARNING'.

**Catholic Schools Week** is about forging and strengthening connections between everyone who has a stake in our schools – students, staff, families, priests, parishioners, and members of the wider community. Our school has a supportive and talented community of teachers, parents, carers, P&F, clergy, parishioners and support staff who work together to give students the best education possible.

Our school will celebrate by beginning the week by:

Monday morning at 8.50am - whole school prayer;

Wednesday: Leadership mini retreat for Year 6 students

Thursday: whole school writing task – mystery stimulus

Friday: 9.25am to 1pm - Whole school STEM (science, technology, engineering and mathematics) activities;

2.15pm – community Rug Reading (all welcome) 2.40pm: Infants assembly

At OLA, we regularly take the opportunity to highlight not only the best of what we do, but also what happens in our schools every day. Many of you take the opportunity to share in some of these. While some schools have an open day, we reserve opening up the school to showcase on special occasions such as Grandparents' Day.

This special week on the Catholic Schools' calendar provides an opportunity for the community to recognise our committed and gifted teachers and support staff for their work in encouraging success, promoting discipline, supporting creativity and instilling compassion in our young people.

### Why do we do what we do?

This is a question I regularly ask of teachers (and myself) with regard to teaching learning tasks. It is terrific to see teachers implement the practice of naming the 'learning intention' (*This is what we want to learn today*) and, even more importantly, co-constructing the 'success criteria' with the students (*How are we going to know we have learnt it?*)

Jackson has only been in Kinder for 5 weeks and already he has adopted this approach with his learning...

## Gospel Reflection Sunday 4th March (Second Sunday of Lent)

### Gospel (Jn 2:13-25)

A reading from the holy Gospel according to John

*Destroy this sanctuary, and in three days I will raise it up.*

Just before the Jewish Passover Jesus went up to Jerusalem, and in the Temple he found people selling cattle and sheep and pigeons, and the money-changers sitting at their counters there. Making a whip out of some cord, he drove them all out of the Temple, cattle and sheep as well, scattered the money changers' coins, knocked their tables over and said to the pigeon-sellers, 'Take all this out of here and stop turning my Father's house into a market.' Then his disciples remembered the words of scripture: Zeal for your house will devour me. The Jews intervened and said, 'What sign can you show us to justify what you have done?' Jesus answered, 'Destroy this sanctuary, and in three days I will raise it up.' The Jews replied, 'It has taken forty-six years to build this sanctuary: are you going to raise it up in three days?' But he was speaking of the sanctuary that was his body, and when Jesus rose from the dead, his disciples remembered that he had said this, and they believed the scripture and the words he had said.

During his stay in Jerusalem for the Passover many believed in his name when they saw the signs that he gave, but Jesus knew them all and did not trust himself to them; he never needed evidence about any man; he could tell what a man had in him.

### Reflection

No matter what the rule or law is, some people can find a way around it. Sometimes they obey the 'letter' of the law, but they disregard the 'spirit' of the law. Sometimes they pretend to misunderstand the meaning of the law. And sometimes they actually get away with breaking a law by paying off someone who is supposed to be guarding the law.

Is it ever okay to break a law? Why or why not? Give examples.

What are some school rules or family rules that you hate to keep? What do you dislike about them? What are some rules or family rules that you wish other people would keep, but they don't? Why do you like those rules?

Do you think it would be possible to run a country, a school, an organisation or a family without rules or laws? Why or why not? How would life be different? (Liturgyhelp.com. Lisa-Marie Calderone-Stewart, 22-2-2017)

# Mindfulness at OLA in 2018

Classes are exploring what it means to be 'present' and are reading the text 'What it means to be present' by Rana DiOrio. Each grade is looking for opportunities to integrate mindfulness into their day to day routine and to be present in the moment. The photos below show Year Four viewing and responding to the text. <https://www.youtube.com/watch?v=stnz10c2tt0>  
You are invited to share the text with your family at home and discuss ways to live in the present moment. Terina Macare

## Literacy News

### Helping Your Child with Spelling:

If your child is working on a class spelling list and can only remember half of the words, speak to their teacher. Don't tackle an entire spelling bar in one sitting. Take one-third for example, each evening, to work on with your child. Break the practice into small units. Try fifteen minutes of review when they get home; fifteen minutes before dinner; fifteen minutes after dinner. Shorter periods given frequently are more effective than one massive review-which is also exhausting and frustrating.

# Diocesan Swimming Carnival

Last Friday, OLA had six students represent the school and the Hills Zone at the Parramatta Diocesan Swimming Carnival. For the first time, we were represented in the relay events to compete against all zones in the Parramatta Diocese.

I would like to congratulate Thomas L who competed in the Butterfly coming 9th overall, the Junior Girls Relay Team (Maddison Z, Charlotte A, Amelia B and Eva S) who came 6th overall and Lachlan H who was 5th in 11 Year Boys 50m Freestyle and 4th in 11 Year Breaststroke. Lachlan was successful in representing the Parramatta Diocese in the NSWCPSS Swimming Trials in March.

We wish Lachlan all the best at the next level and I would like to say how proud I am of all our swimmers representing OLA this year.
