Dear Parents,

Mary MacKillop Feast Day Next Saturday 8th August

Australia's First Saint
Born 15th January, 1842
Died 8th August, 1909

Beatified by Pope John Paul II in 1995
Canonised in Rome on 17th October, 2010

'Never see a need without doing something about it'

Mary MacKillop encourages us to be of service to others. Each one of us has the potential to help others if we so choose. Being able to see a need and know what to do is often the challenge, a challenge that Mary MacKillop modelled for us in her life. Why not, along with the children, make the effort this week and always do something about a need you may be aware of.

Mary MacKillop is a wonderful role model to us all. She was indeed a woman of faith and devotion. Her attitude of '**never see a need without doing something about it**' inspires us to reach out to others and to truly make a difference.

Mary MacKillop was born in 1842 in Melbourne, Victoria. Her parents were born in Scotland and came to live in Australia. Mary cared about people who had no-one to look after them such as boys and girls who just roamed the streets, children in the country who had no school to go to, people who were old and sick and people who had nowhere to live. Mary wanted more than anything to help these people. Mary went to work as a teacher in a little country town in South Australia called Penola. There she met Father Julian Tension Woods who also wanted to do something for the poor children who could not afford to pay the money needed to go to school. Together, in 1866, they began the first St Joseph's School in an old stable.

On 19th March 1866 - St Joseph's Day - Mary started to wear a simple black dress and began the Congregation of the Sisters of St Joseph. Now as a Sister, she dedicated her life to doing God's work. As more and more young women joined Mary as Sisters, they were able to start more schools. All children were welcomed at their schools, even if they couldn't pay. In Adelaide they opened a place for women who had nowhere to live, an orphanage for children who had no parents to look after them and a house where poor people could come and stay. The Sisters visited people who were in gaol and those who were poor and sick. Mary MacKillop was kind to all people. She died on 8th August 1909 in North Sydney. Mary MacKillop kept her faith in God and bravely challenged those who did not support her vision for a more caring world. Mary is an important Australian who spent her life helping people, especially children.

She is Australia's First Saint.

Thank you for your continued support. It is in partnership that we can achieve great things for our children.

 Gospel Reflection
 Year A

[Matthew 14: 13-21](#)

Gospel Reflection- Food for all

This miraculous feeding is the first of two such accounts in the gospel of Matthew. (It also appears twice in Mark and once in both Luke and John.) In this account, there are twelve baskets of leftovers. These baskets represent the twelve tribes of Israel. It is a metaphor for Jesus as the one who provides nourishment and satisfaction for the entire Jewish population. The imagery in the second story (Mt 15:32-39) emphasises that Jesus also feeds and satisfies the gentile people. Between them, the two accounts present Jesus as the one who provides spiritual food for all.

Living the Gospel – Grieving John

The passage begins with Jesus receiving the news that his cousin, John the Baptist's death. In response, Jesus immediately withdraws to a lonely place where he can be alone with his disciples. His response to this terrible news is to take time out. He wants to go away to a quiet, lonely place to pray and grieve. He doesn't just take the news in his stride and carry on regardless; he steps back from the busy-ness of life to mourn. It's a lesson for us in times of stress and grief: the response Jesus models is to take time to grieve the loss.

Reflection

A kind word or acknowledgement goes a long way in lifting a person's spirit.

*Drop a pebble in the water, just a splash and it is gone,
 but there's half a hundred ripples circling on and on and on,
 spreading, spreading from the centre,
 flowing on out to the sea,
 and there is no way of telling where the end is going to be.*

*Drop a careless, unkind word,
 and in a minute, it is gone,
 But there's half a hundred ripples circling on and on and on.
 They keep spreading, spreading, spreading from the centre as
 they go and there is no way to stop them,
 once you've started them to flow.*

*Drop a word of cheer and kindness,
 just a flash and it is gone,
 But there's half a hundred ripples circling on and on and on.
 Bearing hope and joy and comfort on each splashing,
 dashing wave,
 'til you wouldn't believe the volume of one kind word you
 gave.*

Tell Them From Me

Tell Them From Me Parent Survey

Each year across the Parramatta Diocese, schools are invited to engage their communities in the

Tell Them From Me - Survey

In the coming weeks we will be inviting students, teachers and parents to provide feedback on their experience of our school using an online survey. The surveys are an important part of our whole school evaluation and planning process.

We would like to invite you to complete the *Tell Them From Me (TTFM) Partners in Learning* survey. As we value the role of parents and carers within our school community, we would greatly appreciate your feedback. The information you provide will be used to maintain our commitment to working together in partnership to further improve student learning and wellbeing at Our Lady of the Angels.

The survey is anonymous and should not take too long to complete. We will send out a link to the survey via email shortly.

Values Matter at OLA

During this term, starting this week, information on the 'Nine Values for Australian Schooling' will be presented each week in our school newsletter.

These core values have been identified as including a range of secular and religious world views, and are common to most cultures. They underpin Australian society.

As a Catholic School we teach according to Jesus Christ's gospel values which strongly reflect the values of LOVE, FAITH, HOPE, RECONCILIATION, KINDNESS, SELF CONTROL, GENTLENESS, INTEGRITY, RESPECT and JUSTICE. Below is a summary of the nine values for Australian schooling.

Nine Values for Australian Schooling

1. **Care and Compassion** – Care for self and others.
2. **Doing Your Best** – Seek to accomplish something worthy and admirable, try hard, pursue excellence.
3. **Fair Go** – Pursue and protect the common good where all people are treated fairly for a just society.
4. **Freedom** – Enjoy all the rights and privileges of Australia citizenship free from unnecessary interference or control, and stand up for the rights of others.
5. **Honesty & Trustworthiness** – Be honest, sincere and seek the truth.
6. **Integrity** – Act in accordance with principals of moral and ethical conduct, ensure consistency between words and deeds.
7. **Respect** – Treat others with consideration and regard, respect another person's point of view.
8. **Responsibility** – Be accountable for one's own actions, resolve differences in constructive, non-violent and peaceful ways, contribute to society and to civic life, take care of the environment.
9. **Understanding, Tolerance & Inclusion** – Be aware of others and their cultures, accept diversity within a democratic society, being included and including others.

A key aspect of this ongoing values education is the importance of students developing responsibility, resilience and social skills through co-curricular as well as curriculum programs.

Theme for the Week "Care and Compassion"

Some Food for Thought

How do we care for ourselves?

Do we keep a healthy body and mind?

How do we really care for others in need?

Do we think of others who are in need?

Are we compassionate towards the needs of others?

How do we show care and compassion in our words and actions?
